Pot Washing and Sterilizing System

Scrub pots clean with rotating brushes and then dip in the sterilizing tank to have your pots clean and ready to be reused.

Quickly attach brushes for fast change-over of different sizes, 1 gallon – 7 gallon pots.

Foot operated switch, tub drain valve, water level auto on/off switch make this pot clearing system easy yet efficient to use.

110V single,

Foot operated switch

Sterilizing tank

Rotary brushes

Quick attachment for brush
