Small enough for tabletop operation

Compact and portable trays fold for easy storage

A proud member of the BouldinCorp™ Family

Compact Needle Seeder

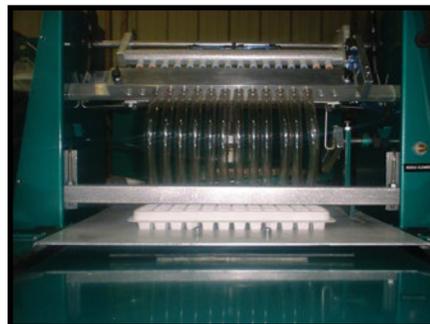

Model # 18320

The Compact Needle Seeder is an entry-level seeder that accurately sows a wide range of small and odd shaped seeds.

This seeder will accept trays up to 17" wide and 3.5" high. Quick change-over for seeds and trays and low maintenance makes this seeder perfect for smaller operations.

Seeder includes seven sets of needles to accommodate various seed sizes and shapes. All components are air operated, including automatic seed ejection, adjustable vibrator and vacuum controls with push-button needle cleaner.

Easy to operate with quick and easy change-overs
